Implementation

Our service operates Monday to Friday from 7.30 am to 5.45 pm and accepts enrolments of children aged between 6 weeks and 5 years of age.

Waiting list

Parents who wish to enrol their child at our service will need to fill out an enrolment wait list application form. Wait list application forms are available either via the website or from the centre itself. Once you have filled out the waitlist form it will stay valid for **3 MONTHS ONLY**. To keep your wait list application valid **YOU MUST CONTACT THE CENTRE EVERY 3 MONTHS** either by phone or preferably by email admin@bluegumchildcare.com.au .

The Director will make this Enrolment Policy available via the Blue Gum website and inform parents of the priorities of access by which places at the service are allocated in accordance with this Policy.

The director or supervisor will only contact families on the enrolment waiting list when a vacancy occurs to offer a place at the service.

Enrolments will be accepted providing:

- The maximum daily attendance does not exceed the approved number of places of the service.
- Child-educator ratios are maintained across the service.
- A vacancy is available

Where limited vacancies are available, we may prioritise enrolling a child who is at risk of serious abuse or neglect, or who is a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

Within these categories we may also prioritise children in:

- Aboriginal and Torres Strait Islander families
- families with a disabled person
- families on low incomes
- families from a non-English speaking background
- socially isolated families
- single parent families.

We have developed criteria to prioritise siblings of children who already attend the Service

Enrolment:

When a family has indicated their interest in enrolling their child in our service, the following will occur:

- A tour of our service. During this tour, the educator conducting the tour will give the family information about the service including, but not limited to, programming methods, meals, incursions, excursions, inclusion, fees, policies, procedures, our status as a Sun Smart service, regulations for our state and the licensing and assessment process, signing in and out procedure, the National Quality Framework, room routines, educator qualifications, introduction of educator in the room the child will be starting in and educator and parent communication. Families are also invited to ask any questions they may have.
- Families are inducted into the service with a sit down orientation with either the Director, Assistant Director or Educational Leader. The Parent Handbook is discussed with them, and points of interest to new families brought to their attention. They are directed to the website to have access to a copy of the Parent Handbook to read at a later date if required and are invited to ask questions during their induction.
- Discussions are held between office staff and families regarding availability of days, a start date and tailoring an orientation process to suit the needs of the family and child. Any matters that are sensitive of nature, such as discussing a child's medical needs, Court Orders, parenting plans or parenting orders, will be discussed privately with the Nominated Supervisor at this time. We request that parents begin to fill out enrolment forms at that time and discuss their child with us so we can accommodate their needs in the service from the first day they start with us. Should a child use English as a second language, or speak another language at home, we request that families provide us with some key words in the languages the child speaks at this time so that educators can learn the words.
- Families can claim Child Care Subsidy or Additional Child Care Subsidy online by signing into their Centrelink online account through my Gov and completing a claim. If eligible, the Subsidy will be paid directly to the service on families' behalf and will reduce the fees owed. This can only occur after our service enters families' enrolment information online, and families confirm their enrolment information through their myGov account. Until Child Care Subsidy details are available, families will need to pay full fees.
- As per our Orientation for Children Policy, families will be invited to bring their child into the service at a time that suits them so the child and family can familiarise themselves with the environment.
- Before the child begins their first day with us, the service must have all required documentation for the child. The child will not be accepted into the service without this being completed.

On the child's first day:

- The child and their family are welcomed into their room for the first day.

- The Nominated Supervisor will ensure all details are finalised and complete and sign the Enrolment Checklist.

Other information about our service's enrolment includes:

- We will try and accommodate families so that children from the same family can attend our service.
- There are strict immunisation requirements for children who are enrolled at our service. We will only accept children who are fully vaccinated according to the Australian Guidelines. Please see our Immunisation Policy for further information.
- To ensure all children are treated fairly and receive the same care and attention, any of our educators' children, who attend the service will not be enrolled in the same room their parent works in. Grandchildren, nieces, or nephews with grandparent or relative who work in the same room, shall be reviewed, and changed if we feel issues may or do arise.
- In accordance with the National Law and Regulations, our educators will support each child to manage their own behaviour, respond appropriately to the behaviour of other children and communicate effectively to resolve conflicts. We will also work with each child's family to support any children with diagnosed behaviour and social difficulties. However, a child's enrolment at our service may be terminated if the nominated supervisor decides the child's behaviour threatens the safety, health or well being of any other child at the service.

Information and Authorisations to be kept in the Enrolment Record

Our Record Keeping and Retention Policy outlines the information and authorisations that we will include in all child enrolment records.
