

## Photography Authorisation

I consent to:

- € my child being photographed/videoed by educators and staff members at the Service
- € my child being photographed/videoed with other children by educators and staff members at the Service
- € my child being photographed/videoed by other individuals using the Service including school photographers, students on practicum placements
- € the photographs/videos taken by educators and staff members being used to support the curriculum
- € the photographs/videos taken by educators and staff members being posted/uploaded to the Service's Storypark App which educators use to share information
- € the photographs/videos taken by students being used to support their student placement. This may include publishing the photo for assignments

I understand that:

- I can withdraw my consent at any time by advising the Nominated Supervisor in writing
- I cannot photograph/video another child at the service unless given permission by that child's parent/guardian
- I cannot share photos/videos of my child/children at the service, or post the photos/videos on a social media platform or App, if the photo/video also includes another child/children or an educator, unless I have the families' or educator's express consent
- the Service does not accept responsibility for the distribution or use of any photograph/video taken by any person who does not work or volunteer at the Service.
